

Every Rose Has Its Thorn

Poison

**Strum Down Once Per Chord*

[Verse 1]

G G G G C C C C
We both lie silently still in the dead of the night
G G G G C C C C
Although we both lie close together we feel miles apart inside
G G C C G G C C
Was it something I said or something I did, did my words not come out right
D D D D C C C C
Though I tried not to hurt you, though I tried, but I guess that's why they say

[Chorus]

G G G G C C C C
Every rose has its thorn, just like
G G G G C C C C
Every night has its dawn, just like
G G D D C C C C
Every cowboy sings a sad, sad song
G G G G C C C C
Every rose has its thorn

[Verse 2]

G G G G C C C C
I listen to our favorite song playing on the radio
G G G G C C C C
Well the DJ says love's a game of easy come and easy go
G G C C G G C C
But I wonder does he know, has he ever felt like this
D D D D
And I know that you'd be here right now
C C C C
If I coulda let you know somehow, I guess

[Chorus]

[Bridge]

Em Em D D
 Though it's been awhile now
 C C G G
I can still feel so much pain
Em Em D D
 Like a knife that cuts you the wound heals
C C C C G G G G
 But the scar, that scar remains

[Verse 3]

I know I coulda saved our love that night
If I'd known what to say
Instead of making love we both
Made our separate ways
And now I hear you've found somebody new
And that I never meant that much to you
To hear that tears me up inside
And to see you cuts me like a knife, I guess

[Chorus]
